Public Comment Protocol

The Harney County Health District Board values the comments, ideas and concerns of the citizens of Harney County. To allow time to hear all comments and to also conduct the extensive business of the District at our monthly meeting, we ask each person offering comments in the Public Comments section of the meeting agenda to follow these practices:

1. Submit a Public Comment Card to the Board Chair (speakers may not yield their time to others).
2. When invited, stand and introduce yourself.
3. Limit questions and comments to three (3) minutes.
4. If the issues are complex and would require more than three (3) minutes, the Board reserves the right to review your comments and respond at a later date.
5. All comments must be made in an orderly, respectful manner.
6. The Board Chair has the option at any time to limit or end comments for any reason.
